

**CINCINNATI**

The fastest machines on the planet  
have **CINCINNATI** written all over them.

New for '06

are the MAXFORM press brake  
and the  
5,000w CL-850 laser  
Both leader in their field, both consistency faster then any  
other machine in their class.

That's why people say that  
the fastest machines have **CINCINNATI** written all over them
